Ukrainian Police, Protesters Clash at Kyiv City Hall

Kyiv, 11.12.2013, 11:22 Time

USPA News - Ukrainian police have clashed with anti-government protesters at the city hall of Kyiv in an effort to drive the activists from the building. The clash came just hours after hundreds of Ukrainian police began storming a protest encampment in central Kyiv early Wednesday.

U.S. Secretary of State John Kerry condemned the authorities' response in a strongly worded statement. "The United States expresses its disgust with the decision of Ukrainian authorities to meet the peaceful protest in Kyiv's Maidan Square with riot police, bulldozers, and batons, rather than with respect for democratic rights and human dignity", Kerry said. "This response is neither acceptable nor does it befit a democracy."
